

Certificate in Essential Skills for Hospitality, Service and Tourism

Brief Program Description

The program is a workplace readiness program designed for international students seeking training in and knowledge of transferable soft skills for the international and Canadian workplace.

The program includes six courses (80 hours each / total 480 hours) and a capstone project (40 hours)

The student is expected to leave the program with suitable industry knowledge and skills allowing them to be successful at entry level service positions in hospitality and tourism.

Career Occupation

Graduates of this program will be prepared for a variety of customer service, tourism and hospitality positions in a broad range of settings: for example, hotels, motels, resorts, restaurants, casinos, convention centres, and cruise ships.

Admission Requirements

- (1) Minimum age is 18.
- (2) Applicants who wish to qualify as domestic students must produce valid documentation confirming their legal status as Canadian citizens or permanent residents.
- (3) Applicants who are classified as International students must meet the requirements for international students studying in Canada as laid down by Citizenship and Immigration Canada and possess a valid Study Permit.

International students must demonstrate Level 4 English with Tamwood Career's online test and interview. The online test and interview are exempt if CEFR B1, IELTS 5, TOEFL iBT 52-64, Cambridge PET (Merit) or Tamwood Language Centre's level 4 is presented.

Learning Objectives

The objective of this program is to prepare students with the knowledge and skills required for a variety of customer service, hospitality and tourism positions in a broad range of related employment settings; for example, hotels, motels, resorts, restaurants, convention centres and on cruise ships.

Upon completion of this program, the student will have reliably demonstrated the ability to apply and conduct basic research essential skills and knowledge related to:

Certificate in Essential Skills for Hospitality, Service and Tourism

Course 1 – Cross Culture Communication: National culture and behavior, Canadian and international workplace culture, intercultural communication skills, acculturation and stages of culture shock, knowledge of the multi-cultural make-up of visitors in regards to tourism management and guest relations, establishing good first impressions

Course 2 – Customer Service: Sales, marketing and advertising strategies, key customer service standards, understanding of customer personality types, effective problem solving in resolving customer issues and complaints and transforming them into loyal customers, SWOT analysis and its integral role in continuous improvement

Course 3 – Professional Development: This course will allow participants to create online portfolios, targeted cover letters and resumes and perform effectively in an interview in the tourism and hospitality sector. While developing a range of career-related soft-skills that will be highly beneficial to tourism-based employment as well as future career success, students will also gain familiarity with precise tourism sub-sectors that are relevant to the Canadian tourism industry

Course 4: Project Management: This course will develop transferable career related abilities amongst its participants in areas such as teamwork, collaboration, and leadership as well as the presentation of information and business-to-business communications. Some skills and knowledge covered in this course include: tourist attraction types, event management, market research, time management, organizational and collaboration skills, management strategies, handling special needs and requests, writing effective emails, scheduling, resource management, forecasting and budgeting, targeting and managing business priorities, cost controls applied to real world situations.

Course 5 – Sustainable Tourism: Public speaking and presentations, knowledge of eco-friendly best practices in a hospitality service setting, sustainable tourism and impacts of tourism, trends in tourism attractions, social and cultural benefits of tourism, and the future of tourism

Course 6 – Business Ethics: Meeting negotiation, handling

Program Outline

Certificate in Essential Skills for Hospitality, Service and Tourism

complaints ethically, designing ethical workplace policies and procedures, introductory knowledge of small tourism and hospitality business operations and business types

Course 7- Capstone Project- Students complete an academic project. Topics chosen relate both to their studies and their field of work. In completing this project students will develop the following skills: critical thinking, problem solving, written & oral communication, research skills, organization & planning, & goal setting. This is achieved in an independent self directed learning environment.

Method(s) of Evaluation

Graded assessment methods for each of the six classroom courses include an individual or group projects; one summative assessment (ie: course final exam) and formally assessed coursework tasks, such as quizzes, mini-presentations or written assignments. Students are also graded on active participation in class. Students are expected to achieve a 70% average to pass the course. At the instructor's discretion, students can attempt a re-test on one of the course assessments if they do not meet the required 70% average.

For the Capstone Project, three separate assessment methods are used. Students are graded for the initial development of their capstone project (20%), participation in the project such as attendance of meetings with their instructor and completion of set tasks (30%) and on the quality and rigor of the final project itself as well as the presentation of the project (50%)

Completion Requirements

To graduate, the student must fully participate meet the minimum standards in classroom assessment.

Minimum standards in the classroom assessment are a final grade of 70% average for all course's assessment tasks, including the Capstone project.
